The GB flag has been flying high this month with representatives winning far and wide from Italy, Germany, Hungary and Ireland - to Hong Kong and USA. Looking ahead, the stanjames.com 2,000 and 1,000 Guineas will be battled out on Newmarket's Rowley Mile this weekend, with the Tattersalls Guineas Breeze-up sale taking place beforehand on the Friday. Later in May the focus heads up North for the DBS Horses In Training and May NH Store Sales.

#### MESSAGE FROM THE EXECUTIVE CHAIRMAN

A positive approach, self-help, professionalism, and the quality of our product – these are some of the vital ingredients that are helping the British Racing and Breeding Industry through the current world economic downturn. It has been tough going, but we are winning the battle.

The Breeze-up sales at DBS and Tattersalls Craven have held up well, in the circumstances – and the Breeze-up Bonus Scheme has proved popular, and beneficial, for both vendors and buyers. Tattersalls stage their Guineas Breeze-up on Friday of this week - the last of the four British Breeze-up sales for 2009.

The Turf Flat season is now coming to life – the Craven meeting at Newmarket and the Spring meeting at Newbury giving vital clues to the 2000 and 1000 Guineas to be run on the Rowley Mile on Saturday and Sunday, and to the Derby and Oaks at Epsom early in June.

Another exciting National Hunt season came to an end at Sandown last Saturday. Memories of some wonderful racing at Cheltenham and Aintree, and some clear indications that British NH Stallions are now in the ascendancy. The progeny of Kayf Tara, Midnight Legend, Alflora, Overbury, Double Trigger, Tobougg and Sir Harry Lewis have acquitted themselves with distinction throughout the season.

The British-bred and sold Overdose is rapidly becoming the 'sprint sensation' of Europe – and we had a British-bred first and second with Presvis and Viva Pataca in the QE11 Stakes in Hong Kong.

All the best,  
**Gavin Pritchard-Gordon**

All lots will breeze at 9am on Thursday. Selling begins at 12pm on Friday.
